GENERAL ORDER. No. 563.

HORSE-GUARDS, 6th June, 1819.

THE Commander in Chief directs, that the following Regulations shall be adopted for the preservation of the *Leaping Bars, Practice Posts*, and other *Articles*, which are supplied to the respective *Cavalry Stations* for the purposes of Instruction in *Equitation*, and in the *Sword Exercise*.

- 1.—When a Regiment, or Detachment, of Cavalry quits a Barrack Station; these Articles are to be given in charge to the Barrack-Master: Returns of them are to be prepared in duplicate, and signed by the Commanding Officer, and by the Barrack-Master, each retaining a Copy. These Returns are to specify the condition in which the Articles are delivered over; and, when any Articles are damaged, or unserviceable, it must be stated whether they have become so from negligence, from having been improperly used, or from fair wear.
- 2.—When one Cavalry Regiment or Detachment relieves another, the Barrack-Master shall deliver up these Articles to the Officer Commanding the succeeding Regiment or Detachment, together with a Copy of the Return which he will have received from the preceding Commanding Officer. On all such occasions the Barrack-Master shall take the Commanding Officer's receipt for the delivery.
- 3.—When Cavalry relieve at Stations at which there is no Barrack, the Riding-Master, Quarter-Master, or other Officer of the preceding Regiment, or Detachment, shall remain to give over the Articles to the Regiment or Detachment which succeeds it, exchanging Duplicate Returns, as at the Barrack Stations.
- 4.—When Cavalry are about to quit a Station at which there is no Barrack Establishment, and are not to be immediately succeeded by other Troops, the Officer Commanding such Cavalry Regiment or Detachment shall apply to the Quarter-Master General for Orders, as to the disposal of the Articles in question.
- 5.—The Commander in Chief will hold Commanding Officers responsible for the due care and preservation of these Articles, and desires it may be understood, that all deficiencies arising from negligence, or mismanagement, must be made good (as in the case of Barrack damages) by the Regiment or Detachment that shall occasion them.
- 6.—When any of these Articles become unserviceable by fair wear or unavoidable casualty, a report is to be made to the Adjutant-General, in order that they may be replaced.

By the Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT, Adjutant-General.

CAUTION against purchasing pretended Claims upon Government, on Account of Supplies furnished or Services rendered to the British Army in the Peninsula.

Whereas it has been represented to the Lords Commissioners of His Majesty's Treasury that Frauds have been committed by various persons pretending to sell Certificates or other Documents, in support of Claims upon His Majesty's Government for Supplies furnished or Services rendered to the British Army in the Peninsula; Notice is hereby given, that the period for the presentation of Claims of this description has long since expired: all persons are therefore cautioned against purchasing any such Claims or Documents.

CIRCULAR. No. 417.

War Office, 23d July, 1819.

IT having been determined that Officers entitled to Half-Pay may, in certain cases, receive an allowance equal thereto, together with emoluments of places, or employments of a civil nature; I am directed by the Secretary at War to acquaint you, for the information of Half-Pay Officers to whom you are Agent, that any such Officer holding any place or employment of profit under the Crown, the net annual emoluments of which do not exceed three times the amount of the highest rate of Half-Pay attached by regulation to the rank in virtue of which he is entitled to Half-Pay, may, upon application to the Secretary at War, be permitted to receive a Military Allowance equal to, and instead of, his Half-Pay, upon making an affidavit in the following form, viz.

I, A. B. do swear, that I had not, between the day of , and the day of , any military place; or any employment of profit, in any Military Department under His Majesty, besides [here specify the military Commission or employment on the Staff, or in the Garrisons, or

in the Colonies], nor any civil place or employment of profit under His Majesty, except [here specify the civil place or employment], and that the net annual emoluments of [here repeat the civil place or employment] do not exceed [here state the annual amount of three times the highest rate of Half-Pay attached to the rank in virtue of which the Officer receives Half-Pay].

You will further apprise them, that if they hold any such civil place or employment, the net annual emoluments of which exceed three times, but fall short of four times, the amount of such Half-Pay, they may, upon application to the Secretary at War, at the end of the year, receive so much of their Military Allowance as, together with those net annual emoluments, may be equal to four times the amount of such Half-Pay, upon making affidavits in the following form, viz.

I, A. B. do swear, that I had not, between the day of and the day of , any military place, or any employment of profit, in any Military Department under His Majesty, besides [here specify the military Commission or employment on the Staff, or in the Garrisons, or in the Colonies], nor any civil place or employment of profit under His Majesty, except [here specify the civil place or employment], and that the net emoluments received, or to be received, by me in respect of [here repeat the civil place or employment] from the day of to the day of , together with the portion of my Military Allowance now claimed by me, do not exceed [here state four times the amount of the highest rate of Half-pay attached to the rank in virtue of which the Half-Pay is claimed].

I am directed to add, that this arrangement is not to have a retrospective operation beyond the 25th December, 1818.

I am, &c.

NOTICE.

Reduction of the Extraordinary Reward for the Apprehension of Deserters from the Land Forces.

IT being deemed expedient to reduce the Reward for the apprehension of Deserters from the Land Forces, this is to give Notice, that from the 25th instant, inclusive, the Sum of Twenty Shillings only, instead of Forty Shillings, will be allowed for the apprehension of a Deserter.

The above Sum is distinct from, and in addition to, the ordinary Reward of Twenty Shillings authorized by the Mutiny Act.

Numerous instances having occurred of collusion between supposed Deserters and the Persons by whom they are accused of desertion, Magistrates are requested not to give an Order for either of the Rewards above-mentioned until apprized by this Office that there is no objection to the payment thereof.

CIRCULAR.

Horse-Guards, 22d July, 1819.

SIR,

REFERRING to my Circular Letter of the 22d May last, respecting the Purchase of Horses, I have the Commander in Chief's Commands to direct, that in making the necessary Purchases to replace the Casualties alluded to in that Communication, no Horse shall be taken under *Three or above Five Years old*.

The further consideration of the subject has satisfied His Royal Highness, that *Colts*, whose Action and Figure are such as to afford good grounds for expectation that they will improve with their Growth and Age, may be taken at the Age of *Three Years off* with advantage to the Service; and His Royal Highness confidently trusts, that under the present circumstances of the Cavalry, and the small demand which exists at this time for Remounts, the Remount-Horses will be of a very superior description.

The Commander in Chief most earnestly calls the attention of Commanding Officers to the Selection and Purchase of their Remount-Horses, on which the Character and future Service of their Regiments must materially depend.

I have the honour to be, Sir,

Your most obedient humble Servant,

(Signed) HARRY CALVERT.

War Office, 23d July, 1819.

IT having been determined that Officers entitled to Half-Pay may, in certain cases, receive an allowance equal thereto, together with emoluments of places, or employments of a civil nature; I am directed by the Secretary at War to acquaint you, for the information of Half-Pay Officers to whom you are Agent, that any such Officer holding any place or employment of profit under the Crown, the net annual emoluments of which do not exceed three times the amount of the highest rate of Half-Pay attached by regulation to the rank in virtue of which he is entitled to Half-Pay, may, upon application to the Secretary at War, be permitted to receive a Military Allowance equal to, and instead of, his Half-Pay, upon making an affidavit in the following form, viz.

I, A. B. do swear, that I had not, between the day of , and the day of , any military place, or any employment of profit, in any Military Department under His Majesty, besides [here specify the military Commission or employment on the Staff, or in the Garrisons, or in the Colonies], nor any civil place or employment of profit under His Majesty, except [here specify the civil place or employment], and that the net annual emoluments of [here repeat the civil place or employment] do not exceed [here state the annual amount of three times the highest rate of Half-Pay attached to the rank in virtue of which the Officer receives Half-Pay].

You will further apprise them, that if they hold any such civil place or employment, the net annual emoluments of which exceed three times, but fall short of four times, the amount of such Half-Pay, they may, upon application to the Secretary at War, at the end of the year, receive so much of their Military Allowance as, together with those net annual emoluments, may be equal to four times the amount of such Half-Pay, upon making affidavits in the following form, viz.

I, A. B. do swear, that I had not, between the day of , and the day of , any military place, or any employment of profit, in any Military Department under His Majesty, besides [here specify the military Commission or employment on the Staff, or in the Garrisons, or in the Colonies], nor any civil place or employment of profit under His Majesty, except [here specify the civil place or employment], and that the net emoluments received, or to be received, by me in respect of [here repeat the civil place or employment] from the day of to the day of , together with the portion of my Military Allowance now claimed by me, do not exceed [here state four times the amount of the highest rate of Half-pay attached to the rank in virtue of which the Half-Pay is claimed].

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

CIRCULAR. No. 417.

War Office, 23d July, 1819.

IT having been determined that Officers entitled to Half-Pay may, in certain cases, receive an allowance equal thereto, together with emoluments of places, or employments of a civil nature; I am directed by the Secretary at War to acquaint you, for the information of Half-Pay Officers to whom you are Agent, that any such Officer holding any place or employment of profit under the Crown, the net annual emoluments of which do not exceed three times the amount of the highest rate of Half-Pay attached by regulation to the rank in virtue of which he is entitled to Half-Pay, may, upon application to the Secretary at War, be permitted to receive a Military Allowance equal to, and instead of, his Half-Pay, upon making an affidavit in the following form, viz.

I, A. B. do swear, that I had not, between the day of , and the day of , any military place, or any employment of profit, in any Military Department under His Majesty, besides [here specify the military Commission or employment on the Staff, or in the Garrisons, or in the Colonies], nor any civil place or employment of profit under His Majesty, except [here specify the civil place or employment], and that the net annual emoluments of [here repeat the civil place or employment] do not exceed [here state the annual amount of three times the highest rate of Half-Pay attached to the rank in virtue of which the Officer receives Half-Pay].

You will further apprise them, that if they hold any such civil place or employment, the net annual emoluments of which exceed three times, but fall short of four times, the amount of such Half-Pay, they may, upon application to the Secretary at War, at the end of the year, receive so much of their Military Allowance as, together with those net annual emoluments, may be equal to four times the amount of such Half-Pay, upon making affidavits in the following form, viz.

I, A. LIST OF BRITISH MILITARY OFFICERS ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY AND OF HIS ROYAL HIGHNESS THE PRINCE REGENT, RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

MEMORANDUM

*For the Information and Guidance of Officers Commanding Regiments
and Depôts.*

AS Officers, who are newly appointed to Regiments, are required by the 5th Article of the 6th Section of the Articles of War, to join their Regiments or Depôts *within Two Months* from the dates of their Appointment, Removal, Exchange, or Promotion, His Royal Highness the Commander in Chief approves of such Officers being reported in the Regimental Returns in the Column of "*Officers Absent with Leave*" for the period above stated.

This Authority is not, however, to prevent such Officers from having recourse to the readiest means of joining their Regiments, or Depôts, as directed in Page 43 of the General Regulations of the Army;—nor to be construed as a Right of Leave of Absence to be claimed by such Officers;—nor is it to interfere with any Orders, which Commanding Officers of Regiments or Depôts may, under particular circumstances, deem it necessary to transmit, requiring such Officers to join *forthwith*, or at any *specific* period within the two months.

The Period of *Two Months* is allowed to Officers thus situated to provide themselves with the necessary Equipments, and to join their Regiments, or Depôts, in any part of the United Kingdom, and the Authority for their being considered *on Leave* during that period, is to prevent any difficulty arising in the issue of their Regimental Pay on their joining their respective Regiments or Depôts.

In the event of an Officer failing to join *within Two Months*, he is to be reported in the subsequent Regimental Returns *Absent without Leave* from the date of his Appointment, Exchange, Removal, or Promotion. and a special Report of his Absence is to be transmitted to the Adjutant General in

the course of the following, or third, Month after the date of Appointment, &c., in order that, if no satisfactory account can be obtained as to the cause of his absence, his Appointment may be cancelled.

By Command, &c.

LIST OF BRITISH MILITARY OFFICERS ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY AND OF HIS ROYAL HIGHNESS THE PRINCE REGENT, RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of *The King*, His Royal Highness The Prince Regent deemed it expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorise, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.
